

Support NeuroStructural Research Labs

We are a non-profit, 501(c)(3) tax-exempt research organization. As such, we would welcome any donation – large or small -- to help support our lab and its research. All donations are tax deductible.

Any donations will go to help support our students, to provide internships, to fund travel to scientific conferences for our students, and to purchase necessary equipment upgrades to enable us to continue to do state-of-the-art neuroscience research in Alzheimer's disease, mental retardation, and various related cognitive disorders.

If you wish to contribute please fill in the accompanying form and e-mail it back to us. Your support is gratefully welcomed and most appreciated.

Yes, I am interested in helping to support the research mission of NeuroStructural Research Labs...Please contact me:
